

McMinnville's Evergreen Aero Modelers Present:

# The Electric Goose

Electric Powered  
Model Airplane Event

## RC Electric Powered Model Airplane Event August 20 & 21, 2011

The Evergreen Aero Modelers invite you to attend our annual **Electric Powered Model Airplane Event** on Saturday & Sunday August 20th & 21st.

Located at the **Bibbee DeAlton Air Field** directly behind the **Evergreen Aviation Museum in McMinnville Oregon**, the event features lots of relaxed open flying on Saturday and low-key fun competitive events on Sunday.

### Landing fee \$25

All participants will receive a door prize (you won't be disappointed) and a raffle ticket to Saturday's drawings at 3:00 pm.

The landing fee covers both days of flying and all prizes and raffles. If you just want to fly on Sunday the fee is \$5.00

After closing time on Saturday and Sunday open flying (glow or electric) is encouraged until dusk.

### Current 2011 AMA membership is required!
